school
2020 - 2022

BACHELOR OF TECHNOLOGY

Jaya Engineering College

2022

PROFILE

Hello, my name is Janakiraman and I am excited to apply for an internship position as a developer. I am currently a student pursuing a degree in computer science and have a passion for coding and building software applications. I am eager to gain practical experience in the field of development through an internship opportunity that will challenge me and help me grow both professionally and personally. With my strong problem-solving skills and attention to detail, I am confident that I can contribute to any development team and bring value to any project I work on. I look forward to the opportunity to apply my skills and learn from experienced professionals in the industry.
